**For Contemplation:**"We are a part of the great web of humanity. We become changed into the image of that upon which we dwell. Then how important to open our hearts to the things that are true and lovely and of good report. Let into the heart the light of the Sun of Righteousness. Do not cherish one root of bitterness.

Christ was infinite in wisdom and yet He thought best to accept Judas, although He knew what were his imperfections of character. John was not perfect; Peter denied his Lord; and yet it was of men like these that the early Christian church was organized. Jesus accepted them that they might learn of Him what constitutes a perfect Christian character. The business of every Christian is to study the character of Christ...."
